GREEN VALLEY RANCH

The Spa at Green Valley Ranch offers a retreat from the desert sun. A sanctuary of relaxation, the 30,000 square-foot facility is situated in the beautiful pool area of Green Valley Resort, Spa and Casino. The stand-alone, multi-floor spa welcomes hotel guests and day visitors alike into an open, airy oasis created for a tranquil escape from the hustle and bustle of Las Vegas.

- 22 private treatment rooms including a couple's suite, a 25-meter outdoor lap pool, state-of-the-art fitness center, exercise studio and outdoor-accessible steam room.
- **Zen-inspired design** decorated by Architropolis, with teakwood walls, subtle lighting, neutral shades, fresh flowers and the soothing sounds of water and music exuding modern comfort.
- The **first glass-ceiling treatment rooms** in the United States. The glass bottom of the reflecting pool in front of the spa forms the ceiling, creating a uniquely serene atmosphere.
- Signature treatments, body wraps, facials and massages, including the **Orange Oasis**, a cleansing body scrub using real orange blossom, and the **Hot Cinnamon Facial**, which uses a custom enzyme exfoliation and herbal mask to leave the skin feeling refreshed and rejuvenated.
- Private **VIP lounge**, with a fireplace bridging the indoor and outdoor spaces.
- Whirlpool tubs in the men's and women's locker rooms, and an **indoor whirlpool tub** for couples to enjoy together.
- Full-service salon, offering color, cuts, highlights, manicures and pedicures.
- Sliding glass doors for fresh air and a stunning view of the pool area from the **fitness center**.
- **Separate entrance** from the casino that allows direct access for day-spa visitors, including a winding path through wine grape trellises.
