

## **Gaming Fact Sheet**

### **Overview**

The Red Rock Casino offers the most comprehensive, state-of-the-art gaming experience available in Las Vegas, with nearly 3,000 games. Guests and players of all levels enjoy the gaming accommodations available, spanning from hundreds of penny-based games to hundred-dollar slot machines. The casino offers full pay games throughout the casino.

For those serious about the game of poker, Red Rock Casino has created a dedicated 24-hour smoke-free poker room that is designed for the ultimate poker game that caters to both high-rollers and casual poker enthusiasts. Dedicated gaming areas also include a keno lounge and bingo room, which offers smoking and non-smoking seating.

Red Rock Casino offers an expansive list of games available for play in a variety of denominations, including:

- Table games
- Slots
- Video poker
- High-limit games
- Bingo
- Keno
- Race and sports book, including a 96-foot video wall

### **Table Games**

- 60 table games available
- Baccarat
- Blackjack (in casino and poolside)
- Dice
- Poker
- Pai Gow Poker
- Roulette

### **Slots**

- Nearly 3,000 in casino
- Hundreds of progressive games
- Progressive bar games
- LCD monitors that produce clear and glare-free play screens on entire slot floor, excluding bar games
- Chairs have adjustable height and are self-straightening
- Sixty percent of the games on casino floor are slant tops for guests' comfort of play

### **High-Limit**

- Two VIP rooms
- Hundred-dollar slots
- Hundred-dollar video poker machines
- Blackjack is offered on the high-limit patio
- Offers views of the sandbar pool backyard area

### **Casino Technology and Services**

The Red Rock Casino has created a cutting-edge gaming environment that uses the latest advancements in technology to provide the ultimate gaming experience off the Strip. The slot machine floor is operated as 100 percent "Ticket In Ticket Out" (TITO), eliminating the need to carry rolls of change.

High-tech machines and related guest services available at Red Rock Casino include:

- 96-foot video wall, powered by 18 projectors for the ultimate gaming experience
- Universal bill acceptors (UBA), which accept bills in four directions for Red Rock Casino guests' convenience; it will even straighten out a bill inserted at an angle
- 19 ticket redemption/bill breaking machines located throughout the casino for guest convenience
- All Slot Guest Service Ambassadors carry hand-held ticket scanners to redeem guests' tickets at the machine, if desired
