

## Fun Facts

More than 3.1 million Swarovski and Preciosa crystals are used throughout the resort – that equals approximately 99 miles of crystal – including a 32-foot-tall chandelier in the hotel lobby, a 60-foot-long chandelier in the high-limit gaming area and numerous crystal spheres located above the gaming floor

Only the finest materials were used in creating Red Rock Casino, Resort and Spa, including marble, onyx, custom carpets, silk and red patent crocodile leather – the same as used in the finest Italian shoes and hand bags

Red Rock offers separate hotel and spa entrances, so guests can enjoy the resort without having to walk through the casino

The penthouse-level One 80 6,500 square foot suite provides a one-of-a-kind 180-degree view that spans from the iconic Las Vegas Strip to the majestic Red Rock mountains

A private massage room in the penthouse-level Canyon Suite provides guests with a relaxing spa experience without having to leave their suite

For those looking to explore the great outdoors, the adventure spa program, offered through The Spa at Red Rock, provides activities such as rock climbing, mountain biking, horseback riding and kayaking

Within the 72-lane Red Rock Lanes, the most expensive bowling venue ever built in the United States, is Las Vegas' hippest 12-lane VIP suite with one of the best a/v systems in the industry. The suite offers private bowling, catering and bottle service

Red Rock Lanes has played hosted to the prestigious PBA Tournament of Champions in 2008, 2009 and 2010

Linda Rodriguez, executive chef at Hachi, is the first woman to have studied under famed Japanese Chef Nobu Matsuhisa

Inspiration for Hachi came from the original museum-quality pop art installation "Jellyfish Eyes" by contemporary artist Takashi Murakami, which is prominently displayed in the restaurant

Terra Rossa, the resort's upscale Italian restaurant, features signature dishes by Senior Chef Heather West, winner of the second season of FOX's hit reality series "Hell's Kitchen," featuring world-renowned Chef Gordon Ramsay

The Lucky Bar is outfitted in burl wood, normally found in Rolls Royce cars, and 1.6 million pieces of crystals dripping from the ceiling

Onyx Lounge features a vodka freezer to keep its impressive collection of vodka at an optimal temperature

A 16-screen theatre operated by Regal Cinemas allows guests to catch the latest silver screen gems and features private VIP viewing boxes four of the theatres as well as houses a 3D IMAX theatre, the most state-of-the-art theatre ever created by Regal Cinemas

The resort is all about relaxation, and there are enough lounge chairs surrounding the pool to accommodate most every guest (no more getting up with the sun to reserve a chair!)

Guests don't even have to leave the pool to enjoy gaming action, with six gaming tables located poolside

Complimentary refreshers such as popsicles, frozen grapes and misters are passed poolside each day for guests to enjoy

Red Rock Casino, Resort and Spa's race and sports book features a 96-foot video wall, powered by 18 projectors, for the ultimate gaming experience

Waterfalls located in front of the resort feature palm trees that appear to float on pools of water and decorative fire features

There are 590 palm trees used through the resort, including four double-trunk tornado palms that shoot through the top floor suites

Five resort restaurants feature outdoor patio seating
