

RED ROCK

The Spa at Red Rock Las Vegas offers a sleek, ultra-modern retreat that promotes exploration and rejuvenation. Inspired by the surrounding canyons and drenched in rich shades of red with accents of cream and chocolate brown, the 25,000-square-foot space envelops guests in a luxurious atmosphere. Whether indulging in a treatment or utilizing the unique Adventure Spa program to explore the nearby natural wonders, a luxurious experience is in store.

- 20 treatment rooms, a couple's suite, lap pool and outdoor treatment areas.
- **The only Adventure Spa resort program in the state**, existing among the most dense area of national and state parks in the country, with morning and sunset horseback rides, river rafting at Black Canyon, indoor/outdoor rock climbing, mountain and road biking, hiking and ranger-led tours at Spring Mountain State Park.
- Massages ranging from the basic to **Ashiatsu**, an ancient technique where therapists use their feet to manipulate muscles while supporting themselves with bars suspended from the ceiling, and **Thai**, an interactive style of massage in which the therapist gently pulls, pushes and kneads muscles in patterns of rocking and rhythmic compressions.
- Advanced skin care treatments such as the **Breathe Facial** which reduces the effects of aging by nourishing the skin with essential vitamins, minerals, amino acids, enzymes and pure oxygen.
- Customized treatments are available for couples in the exclusive couples' suites. Additional treatments have been created especially for **men, mothers-to-be, and baby boomers**.
- Private barber lounge dressed in dark tones and leather where men can catch a game on the 42-inch, flat-screen TV while getting a haircut or indulging in a **Royal Shave** from a personal barber trained in **The Art of Shaving**.
- **Full-service salon** featuring hair and styling stations, a manicure and pedicure room, and a makeup application room.
- **Fitness area** with cardiovascular equipment, free weights and strength equipment, and a **movement studio**.
- **Separate entrance** from the casino that allows direct access for day-spa visitors.
- Seamless integration with the adjacent three-acre backyard pool area, with planning by Cary Collier of **Collier & Collier Spas** and design by **Architropolis**.
- Named by Interior Design Magazine as "Best Spa Design of the Year 2006"
