To be eligible the contestant must participate in each of the 17 weeks of the contest and have account wagering totaling \$500 or more from the time they enter through the end of the contest.
7. The Challenge is based on selecting winning teams against the contest line. Contestants must select five teams or totals per week. A Total (over/under) may be offered on one Pro Football game per week. One College Football game (sides only) per week may be offered. Management will select the Total, College and Pro games offered.
8. The contest is limited to one entry per person. Contestants who enter more than once will be disqualified and ineligible for all prizes and entry refunds. Entries are non-transferable. Management reserves the right to approve aliases.
9. Contest winners will be determined by the total number of points accumulated during the 2009-2010 College and Pro Football regular season. Each winning selection will be credited as one point. Ties (push) count as one half point. First (\$25,000), Second (\$10,000), and Third Place (\$5,000) prizes will be awarded to the contestants with the highest point totals at the end of contest. Highest win percentage of 67% or higher will be declared the winner of the 67% Winners Bonus. In the event of a tie, tie-breaking rules will apply. (See #19)
10. Each week contestants must submit their weekly contest selection card to a Station, Fiesta or Wildfire Sports Book by 9:00AM each Saturday, except when there are Thursday games. If a contestant wishes to select a Thursday game, the contestant's weekly selections must be submitted prior to Thursday's game time. Any contestant who fails to submit weekly selections by **Saturday at 9:00AM** will be awarded zero points that week and will not be eligible for the \$500 refund. **THIS TIME DEADLINE WILL BE STRICTLY ENFORCED.**

If unable to complete 12 official weeks, all entry fees will be refunded for eligible contestants only.
 - In the event that any game listed on the contest card should have a starting time change, but not a date change, the game will be counted in the contest.

 - b. All prizes are aggregate. There is no Second Place prize for the Four Week Mini Contest winner or the Winners Bonus.
 - c. If ties exist after the Football regular season for The Challenge, Four Week Mini-Contest or Winners Bonus prizes, the winner will be determined based on the contestant who accumulated the most contest points during the final week of the regular season. In the event a tie still exists, the prize will be split equally among those tied contestants.
 - d. Highest win percentage of 67% or higher will be declared the winner of the 67% Winners Bonus.
